

Kitchen Design for City Living

An Educational Seminar by ALNO

Looking to get the most out of your kitchen?
A fresh approach to today's kitchen for the city home, can open up new ways to design both a functional and beautiful kitchen, customized to your unique lifestyle

Join us for a light breakfast and an informative session at the ALNO San Francisco showroom. Attendees will receive a certificate for a FREE design consultation with one of our premiere interior designers.

What you will learn:

- *Latest trends in kitchen design
- *How to make your kitchen 'green'
- *Storage solutions for the modern kitchen
- *Tips for maximizing your kitchen space

When: July 18th, 2009,
Saturday at 10:00am – 11:30am

Where: ALNO San Francisco
243 Brannan Street
San Francisco, CA 94107

RSVP by July 15th by calling: 415-541-0754 or
email us at: events@europeankitchendesign.com

ALNO San Francisco is proud to be the exclusive Northern California representative of ALNO luxuries German kitchens. ALNO has integrated fashion, function and technology to create unique kitchen environments that are designed to reflect the lifestyle of today's modern homeowner.

ALNO Germany founded in 1927. Since then, ALNO has grown to be the largest manufacturer in the Europe and is recognized the world over for quality manufacturing, advanced technologies, and high-design. For over 80 years, ALNO has led the industry in "green" manufacturing, long before it became fashionable.
